Youth Mission Trip

July 15-21, 2018

I'm looking forward to our first mission trip together. We'll be repairing, building and maintaining homes for members of the Appalachian community.

This is a great chance to put your faith into action by loving others and helping to provide for their basic needs. Plus...it also looks good on a college application.

Cost: \$160, you can use point to lower and we will also have scholarships available. If you want to go, we will get you there!

We had approximately 50 people participate in the Nerf Wars Zombies vs. Humans March 25th. It was part of our "Mash Up" events held with the youth group from the First Baptist Church the last Sunday of each month.

Join us for our next "Mash Up" Sunday, April 29th 6-8pm!
